

CHAPELLE DE POTENSAC 2016

MEDOC - 2EME VIN

OVERVIEW

The estate has been in the same family since time immemorial and has always been handed down by women. The current owner, Jean-Hubert Delon, inherited the estate from his paternal grandmother, Georgette Liquard. Chapelle de Potensac was created and first sold by Jean-Hubert Delon with the 2002 vintage. This elegant, traditionally made second wine possesses beautiful balance founded on smoothness and freshness. Its terroir of fine gravel and clay sands can be found in various parts of Potensac's historical terroir, on the edge of the village. The Chapel, reproduced on the bottle's packaging, stands in the centre of the hamlet. It is characterized by the absence of its neo-Gothic tower.
